## **MESSAGE FROM THE PRESIDENT**

Dear Members of the Dharan Samaj UK,

I am honoured and humbled to have been appointed as the President of our esteemed organisation. It is with great enthusiasm and a deep sense of responsibility that I step into this role, and I am eager to serve and work alongside each one of you.

Our community has always been a beacon of unity, culture, and support. As we move forward, my primary goal is to strengthen these bonds and ensure that every member feels valued and heard. Together, we can continue to preserve our rich heritage while also embracing the opportunities and challenges of the future.

In addition to my role as President, I bring my experience as a media team member of the Royal Air Force and Defence Academy of the United Kingdom, as well as my background as an award-winning movie director and producer. I am excited to utilise my skills and expertise to enhance our community's outreach, communication, and cultural initiatives.

One of my important tasks will be to reach out to the second-generation Dharane who were born and brought up in the UK, like my own daughter. I aim to utilise their skills and make them feel connected to their ancestral birthplace. Their involvement is crucial in bridging the gap between generations and ensuring our traditions and values are passed on.

I am committed to fostering an environment where ideas can flourish, and where we can collectively work towards the betterment of our community. Your input and participation are invaluable, and I encourage you to share your thoughts, suggestions, and concerns with me.

Thank you for your trust and confidence. Let us work together to make our Dharan Samaj UK stronger and more vibrant.

Warm regards,

**Jay Dharan Samaj UK**
